SAY NO TO CORRUPTION

No: PBTE/R&D/2024/10

Dated: -11-01-24

NOTIFICATION

In pursuance of letter No. PBTE/R&D/2024/01 dated 01-01-2024, the subject specialists were called in PBTE office for allocation of marks / SOP of the curriculum of Diploma in Colour Therapy (One years).

The committee, after thoroughly examining the curriculum of Diploma in Colour Therapy (1 year), observed that in order to conduct the examinations of the scheme; there needs to club some of the subjects keeping in view the same nature of the course contents and to rename them as under:

1st SEMESTER

- i- The contents of topics i.e. Basic Human Anatomy and Physiology, Introduction to therapeutic system, History of colour therapy may be clubbed and the nomenclature of this subject will be renamed as **Basic Human Physiology**.
- ii- The contents of the topics i.e. Science of light and colour, Doctrine of colour therapy and Scientific background of colour therapy may be clubbed and the nomenclature of this subject will be renamed as **Science of Light & Colour**.
- iii- The contents of the topics i.e. Metaphysical concept of light and colour, Colours and everyday life and Methodology of colour therapy may be clubbed and the nomenclature of this subject will be renamed as **Application of Colour Therapy**.

2nd SEMESTER

The committee observed that there needs to emphasize on writing the thesis on project; hence, the committee recommended that the students should write thesis on the project keeping in view the contents of the course to be taught during the whole year. Students shall prepare a thesis / comprehensive project report / research report based on entire applications they will learn during the whole year, for which a viva shall be conducted and keeping in view the performance of students, marks / grade shall be awarded, accordingly. Therefore, the nomenclature in 2nd semester was proposed to be **Thesis / Project / Research Paper**.

Forgoing in view, the following marks allocation is recommended as under:

Colour Therapy (1st Semester)

Sr.	Subject	Marks Allocation			
		Theory	Practical	Sessional	Total
1	Basic Human Physiology	100	-	-	100
